Description   Reviews (1)   Discussions (1)

DGcom is a [free web design template](#) designed for all creative agencies. The [responsive template](#) is built on **Bootstrap 5, HTML5 & CSS3**, with a fantastic and effective layout. The highly featured template is easy to use with its unique and flexible design.

## Free Bootstrap 5 HTML5 Design Website Template

DGcom, the Bootstrap 5 template includes **9 HTML demo pages, navigation bar, dropdown menu bar, responsive header carousel, testimonial carousel, footer navigation bar, burger menu** and everything else, to name a few features. It has a well-structured code making it **fully responsive** to all major browsers. The inclusive HTML5 and CSS3 allow more readable coding, ensuring higher ranking on search engines. Also, quicker loading time adds extra points to this responsive template, providing a great user experience. You can undoubtedly choose this website template for your next project, especially if you want to offer an excellent and accessible website.
